

project.01

Course Information

GRA-1111C | graphic design

professor: Ryan Lowe
<http://www.ryanlowe.com>

Project

raster graphic
1 of 4
15% of 100%

Goal

Using Adobe Photoshop create a collage based on a musical artist, hobby, your own art work, or an area of interest to you.

Gather images from resources on ryanlowe.com or your own imagery scanned in or in digital format.

Process

- 1.) Gather Symbols: typography, online images, scanned magazine images, your own art pieces (scanned or shot), and color swatches.
- 2.) Spread Symbols on layers - 15 is average
- 3.) Design - do not flatten

Format

- 1.) Burned version .psd on CDR - follow naming convention
- 2.) Exported .jpg of your project in my folder
FILENAME: this should appear in my folder:
smith_psd_58_20040720.jpg
(lastname_psd_numberOfLayers_yyyymmdd.jpg)
- 3.) print out project (optional)
